

Did you know...? There is a **Quick Quote** function on Sell2Wales?

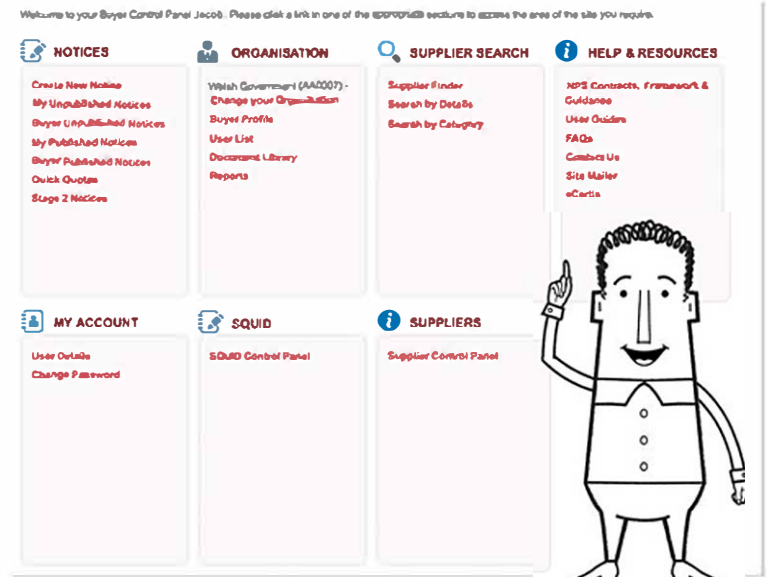

Quick Quote is an online quotation facility which allows buyers to obtain competitive quotes electronically for low value opportunities

As a **Buyer** you can have a Quick Quote Control panel

This is accessed from your main Control panel by clicking on "Quick Quotes"

It provides links to all your Quick Quotes and Quick Quote awards

View our handy 'how to' Quick Quote video guides [Here](#)

You can....

Use the creation Wizard Function

The Quick Quote creation wizard will help you create Quick quotes simply and quickly

Post - Box

You can use the Quick Quote post-box to securely receive competitive quotes for low value requirements

Upload additional information

Upload up to 100mb of data to each Quick Quote

Find Suppliers

Find and select suppliers to match your requirements by searching the Supplier Finder Directory

Match Suppliers

Find suppliers that do not have a supplier finder profile by using the search by category function

Monitor

You can easily monitor supplier responses from your Quick Quote via an unique status page
